

Minnesota National Guard Enlisted Association Auxiliary

10 January, 2011

An Invitation to YOU...

From the Auxiliary

It would be such a pleasure to have you attend our Auxiliary meeting on Saturday morning during the MNGEA conference.

The MNGEA conference this year will be at the Riverwood Inn in Otsego, MN on April 29-30.

Feed our Neighbors Project:

During the 2010 MNGEA conference, Leslie Bucar suggested that we bring non perishable food to donate to the community food shelf that our conference is hosted in each year. Since we meet in a different city annually this could be a benefit to many different communities across Minnesota. We all thought this was a wonderful idea. **MNGEA Auxiliary helping around the state!**

There will be a raffle incentive associated with this food drive. Leslie is the coordinator of this project, and will make arrangements with the local food shelves. This year the food will be given to Big Lake Community Food Shelf. Checks are accepted and appreciated as well.

Questions: lesliebucar@yahoo.com

Please bring a little something for the local food shelf...
